

FPS APPAREL 2022 catalog

"We aim to think differently. To inspire the world's most influential brands and businesses to be **anything but ordinary.**"

Our company was founded in 2002 with the desire to bring something different, new and fresh to the promotional products industry. We saw a need for trendy, out-of-the-ordinary branded apparel and with a strong sense of intuition and a desire to service customers beyond their expectations, we began manufacturing high quality fully customizable items. Today, our creative vision has grown exponentially to encompass industries across the country from food and beverage branded merchandise to corporate uniforms.

For 5 years straight our company has earned a 5-Star rating on ASI, an A+ rating on SAGE and is a 2x PPAI Pyramid Award winner for outstanding performance.
